Pipers Lose Hard One to Haskell

The Pind Pipers lost a heartbraker here Friday night to the Haskell Indians, 20-12, winning everywhere but where it counted the most, the scoreboard. The Pipers came out with a new offense for the game and had their finest night of the season with 239 yards on the ground and in the air.

Two sophomores sparked the offense for the Pipers, Sammy Ferguson at halfback and Paul Long at quarterback. Sammy carried the ball 34 times for 141 yards and two touchdowns. Paul, who replaced injured Tommy Ferguson at the man under spot, carried 12 times for 31 yards and passed four times, completing two for 53 yards.

VOTE to KEEP THE TRAPPER

ELECTION TUESDAY, NOVEMBER 2ND

To Our Friends in Hamlin:

The farmers and ranchers in the Hamlin trade territory are faced with the possibility of a disaster, the loss of the services of a valuable Agricultural helper, the predatory animal trapper. Jones County has employed a trapper for many years, paid for jointly by the County and other Governmental agencies. At the election next Tuesday you will be asked to vote on whether or not to continue this important service for the farmers and ranchers of this county.

During recent years many of the people have moved from the country to the cities and towns, and the wild animals, especially the coyotes and wildcats, have increased in numbers. Unless the predatory animals are kept under control, it is impossible to raise sheep, goats, turkeys, and chickens, and the coyotes sometimes even attack young calves. Coyotes and foxes also carry rabies, and are a menace to young humans, especially young children, as well as to livestock.

Our Jones County trapper has kept these animals under control for the past few years, and it would be a disaster to the farmers and ranchers of Jones County to discontinue his services.

Visitors of the Drake family week before last, on Thursday, were Mrs. Viola Woodruff, Vivien Texas, and Mrs. Bud Scott, from Anson.

We were glad to learn from the Drakes that Mrs. Buck Richie is able to walk again, after having had her second foot amputated. At last report, I reported that she was able to walk, with a walker, but by some misprint it was stated she was walking, but at this time she has learned to walk pretty good, being able to go in the truck with Buck, when he goes to peddle.

We mentioned last week that Mr. and Mrs. Henry were missing, well, upon checking we found they had gone to Tipton, Okla., to see a brother-in-law of Mrs. Henry, Mr. Seth Floyd, who at 88 years old is very feeble, and not well. They made the trip Sunday, up there and back.

Visitors in Sunday School Sunday morning, coming with their grandmother, Mrs. Bill Newland, were Tuvonna and Tamara Newland, little daughters of Mr. and Mrs. Tucker

THE JOY OF **SHARING**

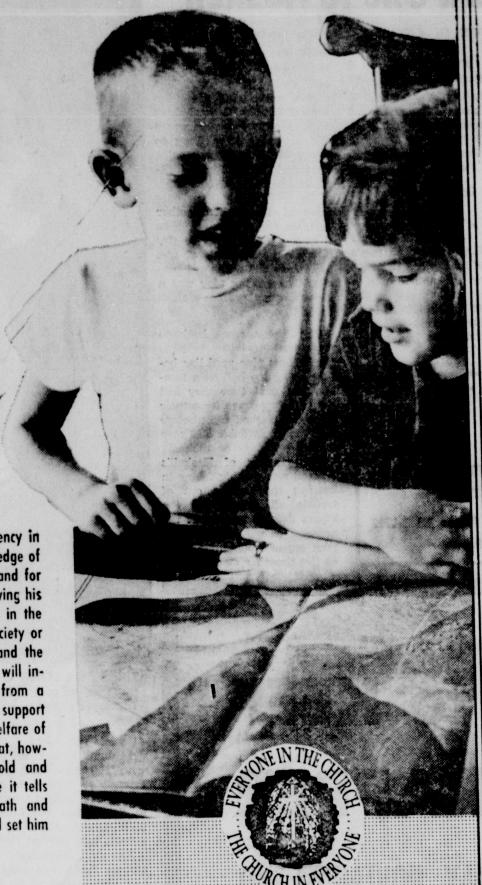

There is pleasure in doing things with others. It may be looking at a picture magazine, or riding toys, or for parents it may even be sharing knowledge of the day's events that bring joy. God's people have a desire to share with you in the greatest joy, that of worshiping together in

God's House. ATTEND

CHURCH SUNDAY

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

"The Making of the President-1964" by Theodore H. White was reviewed for members of the Woman's Literary Club by Mrs. R. D. Moore Friday afternoon in the home

of Mrs. Byron Bryant. The Pulitzer Prize winning book, a narrative of American politics in action, was artfully presented by Mrs. Moore. Events covered included the assassination of President John F. In conclusion she said, "Lyndon Baines Johnson, 36th president of the United States, won the re-election from the people of the United States with the greatest vote, the greatest margin, and the greatest percentage (61%) that any President had ever drawn from the American people. BARBARA GRIFFIN

RACHEL MIRANDA The lights in the houses of McCaulley students come on very early these days, for we must be up with the sun to meet those 7 o'clock classes. Monday there was a little trouble getting everyone to school on time, however, by the end of the week the students and teachers seemed well adjusted. There is one thing about the new schedule everyone likes, that is, getting out of school at 1:30 each day.

According to Supt. T. E. Green, the students will be on this schedule for the next three weeks, so they may have an opportunity to work after school.

Wednesday three of the top honors of M.H.S. were selected for the 1966 Eagle by vote of the student body. Barbara Griffin and Ronnie Jeffrey were chosen best allaround; Rachel Miranda and Adolfo Guerra, beauty and the beast; and Carol Griffin and Bobby Self, best citizens.

The faculty selection of the most co-operative were Ann Kemp and Marion Reed.

The Juniors and Seniors, with George Law as faculty advisor, met to plan the annual Homecoming barbecue which is only two weeks away.

Oran Brigham Sr. and Charlene Maberry will cook the barbecue again this year. Jerry Crowley has donated the beef. We thank them for their help and support.

The annual staff and the senior class will display the senior class panels and the yearbooks of the past years during Homecoming, Anyone having copies earlier than 1952 and would let them be used for the display is asked to contact a junior or senior or Mrs. Fred Kemp yearbook sponsor.

Thursday Junior High honored the Junior High Sweetheart and Hero at the pep rally Jennifer Galloway, daughter of Mr. and Mrs. Mike Galloway and Tracy Dowell, son of Mr. and Mrs. Harvey Dowell, presented Sue Smith and Domingo Benevades the crowns.

Cheerleaders Shirley Gann, Connie Dowell and Vicky Griffin gave them the traditional cakes for the party following the game that night which turned out to also be a Victory Party.

Friday was field day for the first four grades. They toured Tee Pee Village at McMurry College in Abilene and Fair Park Zoo.

Friday, Coach Morgan was certainly right when he said, "I've never seen as many Eagles with feathers, for almost everyone had on an Indian headband with a feather and a cheer for our team, to help boost them for the game with Divide.

"When McCaulley High School falls in line we're gonna win this game another time" could be heard along the way Friday night, and win we did. The Eagles downed the Divide Trojans, 30 to 13, in their first district contest.

Ronnie Jeffery scored 12 points, Marion Reed, 10, and Jesse Miranda, 6.

We remind all Eagle fans that we have a home game with Highland this Friday.

Halloween is here and preparations are being made for various types of entertainment. Each class is backing

Oct. 22, 1915. The big hotel, The Texas Central Hotel near the Katy depot is at last to be brought close up in town and become a prominent business place.

The world owes every man a living. . . .but the street corner is a poor collection agent. Don't look for soft snaps, the hard snaps are the ones that have ginger in them. Don't spend so much time talking war, that you haven't time to talk business. If you would like to have somebody working for you, put a little money in the bank. It improves the soup to throw a little pepper into it. Same way with a town. If you spend all you earn, some other fellow is banking your money. Many a young man goes away seeking his fortune when fortune is seeking him at home. If you will consider the men in this town who are well off, you will find that most of them made their money here. The big things were not all done in big towns. The greatest poem in the English Language was written in a country churchyard. Letter to Editor —

A big thank you to all Hamlin Exes that cast votes electing me your "Ex-Student Queen" for 1965. I have never missed a Homecoming and after such excitement of this past week end I never expect to miss one. To all the officers, committees, band, pep squad, football team well to all Hamlin we exes say thank you. You do all the work making it such a grand time for all of us that just motor, fly or run in and get to thoroughly enjoy ourselves, and I'm afraid we don't show

our appreciation enough. We all love Hamlin and realize that the nicest, kindest people in the world are in Hamlin or Ex-Hamlinites. Again - Thank you!

The Piod Pipers lost a heartbraker here Friday night to the Haskell Indians, 20-12, winning everywhere but where it counted the most, the scoreboard. The Pipers came out with a new offense for the game and had their finest night of the season with 239 yards on the ground and in the air.

Two sophomores sparked the offense for the Pipers. Sammy Ferguson at halfback and Paul Long at quarterback. Sammy carried the ball 34 times for 141 yards and two touchdowns. Paul, who replaced injured Tommy Ferguson at the man under spot, carried 12 times for 31 yards and passed four times, completing two for 53 yards.

VOTE to KEEP THE TRAPPER

ELECTION TUESDAY, NOVEMBER 2ND

To Our Friends in Hamlin:

The farmers and ranchers in the Hamlin trade territory are faced with the possibility of a disaster, the loss of the services of a valuable Agricultural helper, the predatory animal trapper. Jones County has employed a trapper for many years, paid for jointly by the County and other Governmental agencies. At the election next Tuesday you will be asked to vote on whether or not to continue this important service for the farmers and ranchers of this county.

During recent years many of the people have moved from the country to the cities and towns, and the wild animals, especially the coyotes and wildcats, have increased in numbers. Unless the predatory animals are kept under control, it is impossible to raise sheep, goats, turkeys, and chickens, and the coyotes sometimes even attack young calves. Coyotes and foxes also carry rabies, and are a menace to young humans, especially young children, as well as to livestock.

Our Jones County trapper has kept these animals under control for the past few years, and it would be a disaster to the farmers and ranchers of Jones County to discontinue his services.

After the big rain last week we have had a beautiful fall weather week, crisp, mild days and cold nights. The ground is drying slowly, but several strippers got started the last of the week, some of them Scott, from Anson, even running over Sunday. It is a hard choice to make, that when every thing you have worked for all year is in the field. It is a choice every man has to make for himself.

THE JOY OF **SHARING**

There is pleasure in doing things with others. It may be looking at a picture magazine, or riding toys, or for parents it may even be sharing knowledge of the day's events that bring joy. God's people have a desire to share with you in the greatest joy, that of worshiping together in God's House. ATTEND CHURCH SUNDAY

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Oct. 22, 1915. The big hotel, The Texas Central Hotel near the Katy depot is at last to be brought close up in town and become

Opportunity knocks once at every man's door; better be at home when the lady calls.

The world owes every man a living. . . .but the street corner is a poor collection agent. Don't look for soft snaps, the hard snaps are the ones that have ginger in them. Don't spend so much time talking war, that you haven't time to talk business. If you would like to have somebody working for you, put a little money in the bank. It improves the soup to throw a little pepper into it. Same way with a town. If you spend all you earn, some other fellow is banking your money. Many a young man goes away seeking his fortune when fortune is seeking him at home. If you will consider the men in this town who are well off, you will find that most of them made their money here. The big things were not all done in big towns. The greatest poem in the English Language was written in a country churchyard. There is only one man better than the man who gets behind and pushes, in an effort to improve the town, and that's the man who goes

ahead and pulls. TWENTY FIVE YEARS AGO Oct. 25, 1940
